

# LEARN Transition Network Services

## Mission Statement

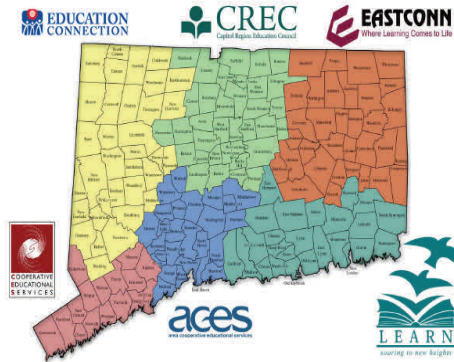

Independence supported and promoted by systems of possibilities.

LEARN provides a full experience for individuals with disabilities ages 14-21 in Southeastern Connecticut

Our Transition Programs work closely with local businesses to provide customized employment with employees **who are:**

- ◆ Motivated and excited about working
- ◆ Skilled, dedicated workers
- ◆ Providing business solutions to improve productivity / workflow
- ◆ Qualified entry level applicants
- ◆ Accompanied by professional counselors/experts
